Quotation No: 001

Growth • Performance • Technology

Date: 11 May 2026

QUOTATION FOR

- **Client Name:** Shedrak Aji
- **Company Name:** doztra.ai
- **Phone:** +44 74782 67588

PROJECT OVERVIEW

This quotation outlines the scope, deliverables, timeline, and estimated cost for redesigning the current Doztra AI website in Figma.

The goal of this redesign is to create a modern, scalable, conversion-focused, and professional user experience aligned with Doztra AI's positioning as an AI-powered real estate intelligence and multi-domain analytics platform.

Objectives

The redesign will focus on:

- Modernizing the overall visual design
- Improving UI consistency and design system structure
- Enhancing user experience
- Improving mobile responsiveness planning
- Optimizing layouts for conversion and trust
- Creating developer-friendly Figma files
- Aligning branding with AI + enterprise positioning

Service	Description	Timeline	Cost
UI Design	Complete visual redesign in Figma.	5-6 Days ▾	\$99.00 / page
Wireframing	Low-fidelity wireframes for key pages	4-5 Day ▾	\$59.00 / page
Partial Design System	Creation of a reusable design system	1-2 Day ▾	As a courtesy

Estimated Total Timeline: **2–3 Weeks**
